		<p>The Sport England FPM run suggests that there is a deficit of about one small 25m x 4 lane pool. The problem is the district does not lend itself to having another pool location and the only way that the water area can sensibly be expanded is to have a larger pool in Bedworth in due course or a more flexible approach to existing water space i.e. moveable floor.</p> <p>What will the impact be of Coventry City Pool closing all be it AT7 site recently developed a 25 metre pool and facilities open 6 months ago.</p> <p>Is Warwick Uni looking at future swimming facilities?</p> <p>Future thoughts of NBBC about Bedworth Pool and its lifespan?</p> <p>Links with WCC and any new secondary school development that could incorporate swimming as a community use element.</p> <p>Neighbouring Boroughs and their intentions, specifically North Wark's / Coventry.</p>

		<p>Opportunity to potentially access up to £15K of capital funding as part of Play Badminton . However, nothing identified as a immediate concern but simple improvement such as painting walls (non-white) should be considered as this impacts on all levels of play from beginner onwards.</p> <p>Warwickshire has a strong county system and leagues. However, Nuneaton and Bedworth is weak area and no local league.</p>	
BASKETBALL	Peter Griffiths Facilities Manager	<p>Formal basketball activity in the area is limited, we don't have any clubs affiliated with us for the current season. I believe there is a junior basketball club being developed but it is in its infancy and not yet affiliated with us you could contact Ross Alexander about this and the local demand for basketball ross@particip8.org.uk or 07814 487959</p> <p>I don't have any evidence to suggest there's a huge demand for new indoor facilities. Due to the lack of current activity and latent demand, the area isn't part of our satellite club network and isn't a focus area for Basketball England for the next 2 years.</p>	New club being supported out of Jubilee Sports Centre that we have worked with over the past 12 months that are nearing affiliation to the league.

			<p>A quick look at Sport England Market Segmentation figures shows 5,241 adults living in Nuneaton and Bedworth wanting to cycle given the right opportunity (in comparison, the number for Football is 1,224, Rugby Union = 320 and Tennis = 2,181). The motivations and requirements of this latent demand for cycling should be explored further locally, as it is likely to include both organised/ formal motivations and cycle-sport but also cycling for health, leisure and recreation. We would suggest that there is likely to be a real positive impact from developing safe, traffic-free cycling facilities in the Borough such as MTB trails, BMX pump/ play tracks or community level closed road circuits. The facilities can be designed to be suitable for coaching and training making them ideal catalysts for supporting the establishment of new cycling clubs/ groups. Community/ Club level facilities are significantly less costly to build, manage and maintain than competition facilities and can be more easily integrated into existing parks, open spaces or co-located with other sports and services.</p>

		<p>We as an NGB endeavour to support all our clubs and coaches so they can effectively implement are sports ethos into their local community. We have a successful local coach development programme to ensure a steady stream of coaches into our clubs. Our funding streams along with most other NGBs work in 4 year cycles.</p> <p>We are currently in the third year of our funding form Sport England. Our largest remit nationally in participation whether it be as part of a club or running groups.</p> <p>Future facility needs and requirements?</p> <p>This is a fairly open question. Due to the large number of disciplines our sport covers there is no set in stone facility requirements as one club may offer a completely different set of disciplines to the other. We recommend that any club that hold league meets have at least a 6 lane track. These facilities are normally under the provision of the land owner and as such they are the ones that supply the risk assessments. We do not routinely monitor the track management for all our clubs but are usually the first to know if they are falling into disrepair.</p>	
ENGLAND HOCKEY	PAUL SMITH	Need input/views into newly refurbished Etone Dual Use site sand dressed facility and looking at future priority Clubs and where facilities could be supported in long term plans. Where would a future sand dressed site be ideally position ? Look at the social side and where a Club can have bar and entertainment facilities link with a new site to provide sustainability for any new facility.	
ENGLAND NETBALL	Sarah Taylor Warwickshire Netball Development Officer	<p>What is your current development and delivery in the area?</p> <p>England Netball currently has a number of affiliated clubs that train and play in the area as part of the Coventry and Warwickshire Netball Association League:</p>	<p>Re-sent to new contact 6.7.15 following response from Carly Beach</p> <p>Clubs - Ambleside Netball Club: Home ground</p>

		<p>In addition to the CWNA Senior League, Ambleside and Synergy also enter teams in the CWNA Junior League. Ambleside is the only current CAPS (England Netball kitemark scheme) club.</p> <p>As an NGB we are also currently running a Back to Netball programme at Ambleside Sports Club, which has attracted 58 women over 12 weeks.</p> <p>In terms of further netball delivery, there are three non-affiliated leagues:</p> <p>Monday evenings - year round at Nicholas Chamberlain School. Indoor league with approximately 8 teams, running for at least 20 years.</p> <p>Thursday evenings - netball league at Nuneaton Academy which is typically for 'Back to Netball' standard teams</p> <p>Flexi League: this is a league under development in conjunction with Warwickshire County Netball Association.</p> <p>What are your future plans for the development and delivery of your sport?</p> <ul style="list-style-type: none"> • Development of the Flexi League • Development of an Inclusive Community Netball Group for players with Learning Disabilities, as the result of a planned school-based initiative. • To support Synergy to find a local home ground • To support local clubs to maintain and develop their delivery • To promote the local delivery of High 5 Netball for 9-11 year olds <p>What are your NGB's facility needs and requirements for the future?</p>	<p>Ambleside Sports Club, Ambleside Way. This is a CAPS accredited club with Senior and Junior sections.</p> <p>Arley's Angels: Home ground Old Arley Sports Centre</p> <p>Bedworth Ladies: Home Ground Heckley Fields, Bedworth</p> <p>Bulkington: Home Ground: Recreational Ground, School Road. Bulkington no longer has a junior section, but there are potential plans in the pipeline to reignite this. Bulkington has also previously run a Summer League.</p> <p>Griff & Coton: Home Ground: Griff & Coton Club, Heath End Road, Nuneaton. Griff & Coton also run a Summer League at their ground in June/July.</p> <p>Nuneaton Old Eds: Home Ground: King Edward VI College, Church Street, Nuneaton</p> <p>Synergy: Home Ground Caludon Castle School, Coventry. Synergy has just received a Junior Club Starter Fund award from England Netball to support the development of its reignited junior section.</p> <p>CONTACT CLUBS VIA SARAH TAYLOR</p>

		<p>The club at present has a strong competitive inter club team offer as well as attracting players of all ages and abilities.</p> <p>The Club has recently developed the courts and carried out work on the club house. I believe that the coaching team has delivered tennis in partnership with the council at the Pingles leisure centre.</p> <p>With only one club in the area the delivery is relatively small but I am aware that the coaches / Club are always keen to work closely with the council to increase participation. We have on occasions had discussions with the council re developing the park courts and would be open to further discussion.</p>	<p>Schematic of participation vision, enablers, drivers and focus.</p> <p>LTA Strategy Plans provided</p> <p>Sport England bid for Pingles tennis courts to provide 2/3 casual play areas, also opportunities at Bedworth Miners welfare Park linked with Bedworth Cricket Club, capital funding required for this to happen, would like to see floodlights as well to make this fully accessible.</p>
