

Merle Gering

Submission to the Warwick Local Plan Inspection.

This paper has two main points:

- 1) There is no reason for any overspill homes to be built in Warwick District on behalf of Coventry. All of Coventry's likely housing need can be accommodated within its own boundary. The ONS and GL Hearn, have grossly overestimated the likely population growth in Coventry for the plan period. Full evidence, which has been reviewed and endorsed by an eminent Oxford professor of demography, is attached.
- 2) No Exceptional Circumstances have been demonstrated to justify building on green belt at Kings Hill. The housing minister Brandon Lewis wrote to all MPs on 7 June 2016

“ We have been repeatedly clear that demand for housing alone will not change Green Belt boundaries
