

Further explanation concerning the Statement of Common Ground with Warwick District Council NBBC/06

Warwick District Council

This was agreed on the 15th August 2016. Attached is an email conversation between Kelly Ford (then Head of Policy and Economic Development) and David Barber Policy and Projects Manager from Warwick District Council.

A note at the bottom of the Statement of Common Ground states that the SOCG has been agreed at officer level with informal cabinet member/portfolio-holder approval.
