Policies Map Changes

This schedule includes a list of proposed policies map changes to the Borough Plan. Unlike main modifications, they do not relate to the soundness of the plan and are therefore not subject to consultation. This schedule is published for information purposes only. This schedule includes changes arising out of the hearing sessions on the Borough Plan.

1. The suggested changes are listed in alphabetical order according to the key on the Borough Plan Publication Proposals Map.
2. For each amendment, information on the proposed change and the reason for the change is given.
3. Each change has been given a reference number.
4. Some further changes may be made by the Council as necessary before adoption of the Borough Plan.
5. Following the hearing sessions, any main and/or additional modifications will be published on the council's website for reference purposes.
