## **1.0 INTRODUCTION**

- 1.1 This policy has been drafted as a result of provisions contained in the Local Government (Miscellaneous Provisions) Act 1982 that allow the Council to regulate sex establishments and similar venues.
- 1.2 Nuneaton and Bedworth Borough Council adopted Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 subsequently called “the Act” with regard to sex cinemas and sex shops in 1982. The Council adopted the additional legislative provisions of “the Act” (as amended by Section 27 of the Policing and Crime Act 2009) on the 1<sup>st</sup> June 2011 so that sex shops, sex cinemas and sexual entertainment venues can be licensed by the Council. In this policy, these are referred to collectively as “sex establishments” unless stated otherwise.

## **2.0 PURPOSE AND AIM OF THE POLICY**

- 2.1 The policy is intended to set out clear and concise guidance, procedure and principals for the benefit of the Licensing Authority, the community, applicants and other relevant organisations.
- 2.2 The policy also contains standard conditions, which will be applied to the different types of sex establishment, which forms part of any licence granted.

## **3.0 SCOPE**

- 3.1 This policy relates to any premises wishing to operate as a sex shop, sex cinema or sexual entertainment venue in the Nuneaton and Bedworth Borough.
- 3.2 Not all premises will automatically require a licence. Where there is an exemption within the legislation this has been set out in this policy document.
- 3.3 In addition to matters contained within this Policy consideration will also be given to the provisions of the Human Rights Act 1998 when considering applications for sex establishment licences.
- 3.4 When considering applications for a sexual entertainment venue licence, the Licensing Authority must have regard to this policy and the Home Office guidance issued in March 2010 entitled ‘Sexual Entertainment Venues – Guidance for England and Wales’.

## **4.0 POLICY AND PROCEDURES STATEMENT**

- 4.1 This Policy became effective on 18<sup>th</sup> March 2019 and supersedes any previous policies.

- 4.2 The Council does not take a moral stance through the adoption of this policy. It recognises that Parliament has made it lawful to operate a sex establishment, and that such businesses are a legitimate part of the retail and leisure industries. It is the Council's role as a licensing authority to regulate such premises in accordance with the law.

## **5.0 SEX ESTABLISHMENT LICENSING**

### **Types of Sex Establishment**

- 5.1 There are 3 types of sex establishments - sex shops, sex cinemas and sexual entertainment venues. Not all of these premises automatically require a licence. This is due to certain provisions and exemptions within the legislation.

#### **Sex Shop**

- 5.2 The legislation defines a sex shop as:

Any premises, vehicle, vessel or stall used for a business which consists to a significant degree of selling, hiring, exchanging, lending, displaying or demonstrating –

- (a) sex articles; or
- (b) other things intended for use in connection with, or for the purpose of stimulating or encouraging –
  - (i) sexual activity; or
  - (ii) acts of force or restraint which are associated with sexual activity.

- 5.3 No premises shall be treated as a sex shop by reason only of their use for the exhibition of moving pictures by whatever means produced.

Sex articles are defined as:

- (a) anything made for use in connection with, or for the purpose of stimulating or encouraging –
  - (i) sexual activity; or
  - (ii) acts of force or restraint which are associated with sexual activity; and
- (b) to any article containing or embodying matter to be read or looked at or anything intended to be used, either alone or as one of a set, for the reproduction or manufacture of any such article; and
- (c) to any recording vision or sound, which –
  - (i) is concerned primarily with the portrayal of, or primarily deals with or relates to, or is intended to stimulate or encourage, sexual

- activity or acts of force or restraint which are associated with sexual activity; or
- (ii) is concerned primarily with the portrayal of, or primarily deals with or relates to, genital organs, or urinary or excretory functions.

### **Sex Cinema**

5.4 The legislation defines a sex cinema as:

Any premises, vehicle, vessel or stall used to a significant degree for the exhibition of moving pictures, by whatever means produced, which –

- (a) are concerned primarily with the portrayal of, or primarily deal with or relate to, or are intended to stimulate or encourage –
  - (i) sexual activity; or
  - (ii) acts of force or restraint which are associated with sexual activity; or
- (b) are concerned primarily with the portrayal of, or primarily deal with or relate to, genital organs or urinary or excretory functions, but does not include a dwelling-house to which the public is not admitted.

No premises shall be treated as a sex cinema by reason only -

- (a) if they are licensed under Section 1 of the Cinemas Act 1985, of their use or purpose for which a licence under that section is required; or
- (b) of their use for an exhibition to which Section 6 of that Act (certain non-commercial exhibitions) applies given by an exempted organisation within the meaning of Section 6(6) of that Act.

### **Sexual Entertainment Venue**

5.5 “the Act” defines at Schedule 3, sexual entertainment venue as:

- (1) Any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer.
- (2) In this paragraph “relevant entertainment” means—
  - (a) any live performance; or
  - (b) any live display of nudity;

which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means).

- (3) The following are not sexual entertainment venues for the purposes of this Schedule—
- (a) sex cinemas and sex shops;
  - (b) premises at which the provision of relevant entertainment as mentioned in sub-paragraph (1) is such that, at the time in question and including any relevant entertainment which is being so provided at that time—
    - (i) there have not been more than eleven occasions on which relevant entertainment has been so provided which fall (wholly or partly) within the period of 12 months ending with that time;
    - (ii) no such occasion has lasted for more than 24 hours; and
    - (iii) no such occasion has begun within the period of one month beginning with the end of any previous occasion on which relevant entertainment has been so provided (whether or not that previous occasion falls within the 12 month period mentioned in sub-paragraph (i));
  - (c) premises specified or described in an order made by the relevant national authority.

(4) – (12) omitted as they refer to other matters

(13) For the purposes of this Schedule references to the use of any premises as a sexual entertainment venue are to be read as references to their use by the organiser.

(14) In this paragraph—

“audience” includes an audience of one;

“display of nudity” means—

- (a) in the case of a woman, exposure of her nipples, pubic area, genitals or anus; and
- (b) in the case of a man, exposure of his pubic area, genitals or anus;

“the organiser”, in relation to the provision of relevant entertainment at premises, means any person who is responsible for the organisation or management of—

- (i) the relevant entertainment; or
- (ii) the premises;

“premises” includes any vessel, vehicle or stall but does not include any private dwelling to which the public is not admitted; and for the purposes of sub-paragraphs (1) and (2) it does not matter whether the financial gain arises directly or indirectly from the performance or display of nudity.”

## **6.0 WAIVERS**

- 6.1 Applications can be made to waive the requirement for a sex establishment licence.
- 6.2 In relation to sex shops and sex cinemas the Council does not consider it would be appropriate to permit waivers from the requirement to hold a sex establishment licence. Waivers for these type of premises would only be granted in extreme circumstances *as determined* by the Licensing Committee (for example, to allow a temporary re-location of a business following damage to licensed premises or the necessity to license a sex clinic for which the legislation was not intended to control).
- 6.3 Potential applications for the use of waivers goes wider. A proprietor may wish to obtain a waiver for the avoidance of doubt or where the necessity to hold a licence is unclear. Examples would be where there is a nude scene in a burlesque show, a lingerie shop with some shelves containing sex articles, or potentially a new mainstream cinema that wishes to show a festival of erotic films. The waiver is useful to deal with borderline cases, and minor or temporary events – see paragraph 6.5
- 6.4 In all cases, the authority could legitimately decide that it requires the event to be licensed, but it is given a discretion to circumvent the licensing procedure / system where it considers it unreasonable or inappropriate.
- 6.5 The legislation allows relevant entertainment on an infrequent / temporary basis of no more than eleven occasions within a 12-month period, providing there is at least one month between each period of entertainment which itself does not last for more than 24 hours.

## **7.0 APPLICATION PROCESS**

- 7.1 Applications must be submitted to the Licensing Authority together with the application fee. The application form can be used for grant, variation, transfer and renewal applications. The application must be copied by the applicant to the Chief Officer of the Warwickshire Constabulary within 7 days after the date the application was made.
- 7.2 Applicants must provide their name, address and, where the applicant is an individual, their age, plus the premises address and the proposed licensed name of the premises.
- 7.3 Applicants must, at the time of submission of a new grant or variation application, provide a scheme showing the exterior design for consideration by the Licensing Authority before the premises are opened for business in order to ensure that exterior design of the premises shall be such that the interior of the premises is not visible to passers-by.

- 7.4 In addition, applicants must, at the time of submission of a new grant or variation application, provide a plan showing the interior layout of the premises for consideration by the Licensing Authority. In the case of sexual entertainment venues such plan must outline the area in which relevant entertainment will take place.
- 7.5 Applicants for sexual entertainment venues must also submit a copy of their "House Rules". Such House Rules must contain the required conduct of performers. Such House Rules may form part of the licence (if granted) and may be subject to amendment by the Licensing Authority prior to approval.
- Applicants must make provision for all performers to sign documentation to confirm their knowledge of, and an undertaking to adhere to, the House Rules. Such documentation must be retained for the duration of the performers' employment and for a further 6 months from the date they last worked at the premises, whether they are employed directly or freelance.
- 7.6 Applicants (other than applicants for variation of licence) must also give public notice of the application by publishing an advertisement in a local newspaper. This must be published within 7 days of making the application. If the application relates to premises then there is an additional requirement for notice of the application to be displayed for 21 days on or near the premises where it can be conveniently read by the public. The notice, the form of which is prescribed by the Licensing Authority, must contain the specified information.
- 7.7 With regard to online applications (when available), tacit authorisation **does not** apply to new grant applications for sex establishment licences. This means applicants must wait for the Licensing Authority to determine the application before they can operate a sex establishment.
- 7.8 If an application is for the renewal a sex establishment licence, the premises can continue to operate past the licence expiry date, provided that the renewal application has been submitted to the Licensing Authority before the licence expires. The Licensing Authority will notify the applicant of the decision.

#### **Plan Requirements for all Applications**

- 7.9 The plan shall show:-
- i) The extent of the boundary of the building, if relevant, and any external and internal walls of the building and, if different, the perimeter of the premises;
  - ii) The location of points of access to and egress from the premises;
  - iii) The location of escape routes from the premises;
  - iv) In cases where the premises is to be used for more than one licensable activity, the area within the premises used for each activity;

- v) Fixed structures (including furniture) in a fixed location which may impact on the ability of individuals on the premises to use exits or use escape routes without impediment;
- vi) In cases where the premises include a stage or raised area, the location and height of each stage or area relative to the floor;
- vii) In the case where the premises includes any steps, stairs, elevators or lifts the location of these items;
- viii) The location of all public conveniences and the numbers of urinals, WC's and wash hand basins in each one;
- ix) The location and type of any fire safety and any other safety equipment.
- x) The location of any kitchen on the premises

The plan shall be drawn to a scale of 1:100 unless the Licensing Authority agrees an alternative scale. The plan may include a legend through which the matters mentioned or referred to above are sufficiently illustrated by the use of symbols on the plan.

## **8.0 Commenting / Consultation on Licence Applications**

- 8.1 Unlike some other licensing regimes (such as for alcohol, entertainment or gambling), a wide range of people can raise objections about sex establishment licences. The police are a statutory consultee for all applications.
- 8.2 Although applicants are only required to provide notice of the application to the police, the Licensing Section will publish any applications for sex establishment licences on the Council's website, to allow the public to view basic details and provide contact number(s) for the office processing the application.
- 8.3 Objectors should limit their objection to matters which are relevant to the statutory grounds for refusal as set out in the 1982 Act. An objection must be made in writing and state the grounds on which the objection is made. Objections may only be made within the period of 28 days following the date on which the application was given to the Council. Guidance on making an objection can be obtained from the Council's website [www.nuneatonandbedworth.gov.uk](http://www.nuneatonandbedworth.gov.uk) or from the Licensing Section at Nuneaton and Bedworth Borough Council
- 8.4 The Council will not consider any objection that does not contain the name and address of the person making it. Where objections are made the Council will provide copies to the applicant. The Council **will not divulge the identity of the objectors** to the applicant without their permission to do so [section 8(17), Schedule 3 of the 1982 Act].

- 8.5 Objectors can include residents'/tenants' associations, community associations and trade associations or business or statutory authorities. Councillors and MPs may also raise objections. Elected Nuneaton and Bedworth Borough Council Members may represent interested parties, providing they do not also sit on the Licensing Committee considering the application.
- 8.6 Valid objections will be considered by the Licensing Committee at the hearing to consider the application. Applicants and objectors will be given an equal opportunity to state their case.
- 8.7 Objections must be made in writing (email is acceptable) and should include the following:
- the name and address of the person or organisation making the objection
  - the premises to which the objection relates
  - the proximity of the premises to the person making the objection; a sketch map or plan may be helpful to show this
  - the reasons for making the objections, which are clearly set out in relation to the grounds for refusal.
- 8.8 The consultation period will be 28 days, starting from the first working day after the date a valid application is accepted by the Licensing Section.
- 8.9 The following organisations / persons will be notified and will be able to make representations on all applications:
- Local elected Members;
  - Relevant Parish or Town Council;
  - Fire Authority;
  - Planning Authority;
  - Environmental Health Service;
  - Licensing Section
  - Children and Young People's Service (Warwickshire County Council)
  - Warwickshire Police

## **9.0 Determination of Applications**

- 9.1 The Licensing Authority is NOT permitted to grant a licence on the following mandatory grounds:
- (a) a person under the age of 18;
  - (b) a person who is for the time being disqualified from holding a licence following revocation of such a licence;
  - (c) a person, other than a body corporate, who is not resident in the United Kingdom or was not so resident throughout the period of 6 months immediately preceding the date when the application was made; or

- (d) a body corporate which is not incorporated in the United Kingdom.
- (e) a person who had, within a period of 12 months immediately preceding the date when the application was made, refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal;

**There is no right of appeal against refusal on these grounds.**

- 9.2 The Licensing Authority may refuse an application for the grant, variation or renewal of a licence on one or more of the following discretionary grounds:
- (a) that the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason;
  - (b) that if the licence were to be granted, the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant of such a licence if he made the application himself;
  - (c) that the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality;
  - (d) that the grant or renewal of the licence would be inappropriate, having regard to the character of the relevant locality or to the use to which any premises in the vicinity are put, or to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.
  - (e) *NOTE: Nil may be an appropriate number for the purposes of paragraph 9.3(c) above.*
- 9.3 The Licensing Authority will not apply a rigid rule to its decision making and therefore each application will be decided on its own merits..
- 9.4 When issuing a sex establishment licence the Licensing Authority is permitted to issue it on such terms and conditions and subject to restrictions as specified at the time the licence is issued.
- 9.5 In addition to this the Licensing Authority has the power to make standard conditions applicable to all licences for sex establishments.
- 9.6 It is an offence to breach the conditions and the penalty for this is a fine not exceeding £20,000.
- 9.7 Details of the standard conditions and examples of public notices forms and newspaper advertisements relating to each type of licence are contained in Appendices A - E. Should these standard conditions be amended at any time in

the future, they would apply to all licences already issued as if the conditions had been in place at the time they were granted.

- 9.8 All standard conditions will be reviewed as part of the full policy review every 5 years or if any substantial changes are required to the policy, due to legislative changes or other reasons.

#### **Length of licence**

- 9.9 The Licensing Authority will, unless there are exceptional reasons otherwise, grant licences for a maximum duration of one year.

#### **Right to appeal a decision**

- 9.10 If an application is refused following a hearing, then the applicant will be informed of the decision and whether there is any right of appeal.

- 9.11 Appeals must be made to the local Magistrates' Court within 21 days, starting from the date the applicant is notified of the Licensing Authority's decision. The notice will advise the address of the appropriate Magistrate's Court to which such an appeal should be submitted. It should be noted that a fee may be payable to the magistrates to lodge such an appeal.

- 9.12 Applicants can appeal against the refusal of a grant, renewal, variation or transfer application, or against the decision to revoke a licence. They can also appeal against conditions or restrictions imposed.

- 9.13 Applicants cannot appeal against the Licensing Authority's decision if the application was refused on the grounds that:

- the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality; or
- the grant of the licence would be inappropriate considering the character of the area, the nature of other premises in the area, or the premises themselves.

The Magistrates' Court will determine the appeal application.

#### **10.0 Fees**

- 10.1 The appropriate fees for applications can be found on the Council's website. Application fees must be paid in full at the time of submission of the application.

## **11.0 Definitions & Guidance Documentation**

### Relevant Localities

- 11.1 In considering the characteristics of a locality the Licensing Authority shall particularly take account of the density and proximity of:
- (1) schools, nurseries, crèches and other similar educational or recreational facilities attended by children,
  - (2) parks and children's play areas,
  - (3) residential and sheltered accommodation,
  - (4) religious and community buildings,
  - (5) alcohol or entertainment licensed premises,
  - (6) other retail units (and their uses).
  - (7) any other factor that it considers appropriate
- 11.2 In considering whether granting a licence would be inappropriate the Council will specifically consider whether the character of the locality is predominantly residential, high profile retail, of historic importance or iconic in nature or one of family entertainment or leisure.
- 11.3 The look of premises themselves or the nature of the service offered can be, by a majority of people in a locality, associated with the characteristics which are inappropriate in a general family setting and use of the locality. This is particularly the case where the character of a locality includes elements which are attractive to, and involve children and families. However well managed a premises may be, the visual impact of sexual entertainment premises, whether in the form of signs, shop front design, promotional material, staff or customer queuing, can give rise to particular concern especially in the day time unless these are satisfactorily mitigated by the applicant / operator through operating procedures.
- 11.4 Sexual entertainment venues cater for a particular adult audience and by attracting those customers can affect the character of the locality in which they are situated
- 11.5 The nature of the clientele that sexual entertainment venues may attract, and their behaviour outside the premises, may also be inappropriate in the context of the character of the locality in which the premises are situated.
- 11.6 The Council is also aware of the potential for crime and antisocial behaviour associated with the location of sexual entertainment venues, such as prostitution, touting and "clipping" which would be particularly inappropriate to introduce in localities of the character identified in paragraph 11.1 and 11.2

- 11.7 Localities characterised as areas of family entertainment or leisure, for instance areas with a concentration of shops, restaurants, open spaces are likely to attract parents and children especially in the day time and evening.
- 11.8 The previous existence of a licence permitting sexual entertainment at a premises or previous premises should not of itself give rise to any expectation that a sexual entertainment venue licence will be granted or renewed. In considering the appropriateness of a sexual entertainment venue the council is entitled to change its view about the character of the locality in which the sexual entertainment venue is situated, whether or not there has been a change in the character of the locality. Equally, the character of the locality in which the sexual entertainment venue is situated, or proposed to be situated, may have changed or is likely to change in the future since the grant of previous sexual entertainment venue licences for premises in that locality, which would now make a grant or renewal of a licence inappropriate.

#### Numerical Limits

- 11.9 The Licensing Authority can refuse applications for new or renewed licences where the number of sex establishments in the relevant locality at the time the application is made is equal to or exceeds the number which it considers appropriate for that locality;
- 11.10 For the avoidance of doubt, the 1982 Act specifically states that nil may be an appropriate number for the purpose of the above paragraph.

#### ID Checks

- 11.11 To ensure customers are over the age of 18 premises should operate a "Challenge 25" policy, whereby if a customer appears to be under that age an adequate ID check is carried out. This would require photographic ID to be checked and only current passports and driving licences should be accepted for this purpose or other such system as agreed with Warwickshire Police . If customers are unable to provide such forms of ID to establish their age then they must be refused entry.

#### Protection of Children and Vulnerable Persons from Harm

- 11.12 This includes protection from physical, mental or emotional harm.

#### SIA Registered Door Supervisors

- 11.13 Where required only door supervisors who hold a valid Door Supervisors licence issued by the Security Industry Authority (SIA) should be employed.

## **SEX SHOPS**

### Significant Degree & Sex Articles

- 11.14 Licences for sex shops are required where 18R films are being sold, or where there is a “significant degree” of “sex articles”.
- 11.15 The phrase “sex articles” is defined in the 1982 Act, but the phrase “a significant degree” is not. When considering whether or not a business is selling a significant degree of sex articles and needs a licence, the Authority will consider:
- (1) the ratio of sex articles to other aspects of the business
  - (2) the absolute quantity of sales
  - (3) the character of the remainder of the business
  - (4) the nature of the displays in the business
  - (5) turnover
  - (6) other factors which appear to be materially relevant.

11.16 Sex articles are defined as:

- (a) anything made for use in connection with, or for the purpose of stimulating or encouraging-
  - (i) sexual activity; or
  - (ii) acts of force or restraint which are associated with sexual activity; and
- (b) anything to which sub-paragraph below applies.

This sub-paragraph applies-

- (a) to any article containing or embodying matter to be read or looked at or anything intended to be used, either alone or as one of a set, for the reproduction or manufacture of any such article ; and
- (b) to any recording of vision or sound, which -
  - (i) is concerned primarily with the portrayal of, or primarily deals with or relates to, or is intended to stimulate or encourage, sexual activity or acts of force or restraint which are associated with sexual activity ; or
  - (ii) is concerned primarily with the portrayal of, or primarily deals with or relates to, genital organs, or urinary or excretory functions.

## **SEXUAL ENTERTAINMENT VENUES**

### Relevant entertainment

- 11.17 Licences for sexual entertainment venues are required for “any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer”.
- 11.18 “Relevant entertainment” is defined in schedule 3 (as amended by Section 27 of the Policing and Crime Act 2009) as “any live performance or live display of nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of an audience (whether by verbal or other means).” An audience can consist of just one person, e.g. in a private booth.
- 11.19 In deciding whether entertainment is “relevant entertainment” the Licensing Authority will judge each case on its merits, but the definition will generally apply to:
- (1) lap dancing
  - (2) pole dancing
  - (3) table dancing
  - (4) strip shows
  - (5) peep shows
  - (6) live sex shows

Adult entertainment not classed as “relevant entertainment” may still require regulation under the Licensing Act 2003.

### Nudity

- 11.20 Section 27 of The Policing and Crime Act 2009 defines the “display of nudity” as:-
- (a) in the case of a woman, exposure of her nipples, pubic area, genitals or anus; and
  - (b) in the case of a man, exposure of his pubic area, genitals or anus.

*For further information in relation to regulation of sexual entertainment venues please refer to the Home Office Guidance issued in March 2010 entitled “Sexual Entertainment Venues – Guidance for England and Wales”.*

## **GUIDANCE DOCUMENTATION**

- 11.20 Form of Notice – Indecent Displays (Control) Act 1981

The Council’s Standard Conditions require that a warning notice be displayed in accordance with the above legislation.

- (a) The warning notice must contain the following words, and no others-

**"WARNING**

Persons passing beyond this notice will find material on display which they may consider indecent. No admittance to persons under 18 years of age."

- (b) The word "WARNING" must appear as a heading.
- (c) No pictures or other matter shall appear on the notice.
- (d) The notice must be so situated that no one could reasonably gain access to the shop or part of the shop in question without being aware of the notice and it must be easily legible by any person gaining such access.

**Notice of application**

11.21 The notice can be downloaded from the Council's website. A copy of an example newspaper advertisement is attached at Appendix A. A copy of the public notice to be affixed to the premises is included with the application pack at Appendix E.

12.1 In developing this policy the Council have had regard to the legal requirements of the 1982 and 2009 Acts and its duties under:
