

Proprietor		Licence Plate Number	H/C	P/H	Meter Number	
Registration Number		Make and Model			Year of Manufacturer	
Current Road Tax	Y	N	Recorded Mileage		Number of Passengers	

Section 1: Lamps, reflectors and electrical equipment

Testing components	Pass ✓	Fail X	Reasons for Failure
1.9: Electrical wiring and equipment			
1.9: Additional Lamps			

Section 2: Steering and suspension

Testing components	Pass ✓	Fail X	Reasons for Failure
2.1: Steering control-steering wheel			
2.1: Steering control-steering column			
2.4: Suspension spring units and linkage			

Section 3: Brakes

Testing components	Pass ✓	Fail X	Reasons for Failure
3.1 Physical brake efficiency			
3.2 Brake Efficiency			

Section 4: Tyres and road wheels

Testing components	Pass ✓	Fail X	Reasons for Failure
4.1: Tyres-condition			

Section 5: Seat Belts and supplementary restraint systems

Reasons for Failure	Pass ✓	Fail X	Reasons for Failure
5.1 Suitable working properly securely attached			

Section 6: Body, structure and general items

Testing components	Pass ✓	Fail X	Reasons for Failure (also see annotation on diagram attached)
6.1: Vehicle body and condition (exterior)			
6.1: Vehicle body, security and condition (interior)			
6.1: Bumper bars			
6.2: Doors and seats			

Section 7: Exhaust, fuel and emissions

Testing components	Pass ✓	Fail X	Reasons for Failure
7.1: Exhaust system			
7.2: Fuel system-pipes and tanks			

Section 8: Driver's view of the road

Testing components	Pass ✓	Fail X	Reasons for Failure
8.1: Mirrors and view to rear			
8.3: Windscreen-the view to the front			
8.5: Window glass or other transparent material			

Section 9: Additional requirements

Testing components	Pass ✓	Fail X	Reasons for Failure
9.1: Transmission			
9.2: Oil and water leaks			
9.3: Luggage/load space			
9.4: Trailers and towbars			

Section 10: Ancillary equipment			
Testing components	Pass ✓	Fail X	Reasons for Failure
10.1: Wheelchair restraint and access equipment			
10.2: Fire extinguisher			
10.3: First aid kit			
LOLER Certification required	Y ✓	N X	Expiry date of certificate

NBBC Requirement – Road test and meter check on all Hackney Carriages & those Private Hire Vehicles with a Meter

Testing components	Pass ✓	Fail X	Reasons for Failure
a. Vehicle should drive smoothly with no mechanical noises or vibrations
