

Statement of Accounts 2019/20
Delay in Conclusion of Audit

The external auditors, Grant Thornton UK LLP, have been unable to complete the audit in time for the 2019/20 accounts to be approved and published by the statutory deadline of 30th November.

The draft accounts and draft Audit Findings Report were presented to the Audit and Standards Committee on 3rd November and the committee delegated authority to the Section 151 Officer, the Chair and Vice Chair to approve the audited accounts once the final audit opinion is issued, subject to there being only minor adjustments required.

Once the accounts have been approved, they will be published on this page. The auditors will also issue a final certificate of completion of the audit and when available this will also be published here.
