Dear Sirs

Our Engineer Surveyor attended as above in order to carry out the examination detailed.

Observations and comments made in our reports are for your own consideration as to the extent of repair or other maintenance work which you intend to undertake. The company has no liability for instructions to undertake work on any item other than those which require action to prevent imminent danger.

In accordance with our accreditation procedures, you may reproduce the attached report in whole, or in part for use by yourselves or a third party. The examination methods and procedures used to comply with the detailed particular Statutory Regulations, which are applicable to the Plant, are stated in the method statements documented in Section 13.5 of the Company Quality Procedures.

We trust that you continue to find our services to your satisfaction.

Yours faithfully

HSB Customer Solutions Centre.
