Signed on Behalf of Ventro Limited

Project Manager Samantha McCarroll

Approved Person

Howard Melvin
Registered Installer No. 437

NOTE: Any repairs, modifications (including painting), or tampering with the installation(s) detailed on this certificate after the Date Checked will render this certificate null and void. This certificate does not cover defects and damage caused by accidents, improper or abusive use, normal wear and tear of the components, misuse or lack of regular maintenance by competent operatives, alterations, tampering, or services and repairs carried out by anyone other than a Ventro-authorized operative. The reinstatement of this certificate in the event of any repairs, modifications, or tampering have occurred after the Date Checked will require a full re-audit or Healthcheck to be carried out by Ventro. Errors and omissions excepted.
