2. EVACUATION PROCEDURE

A fire drill is not expected, so if the alarm sounds please evacuate the building quickly and calmly. Please use the stairs and do not use the lifts. Once out of the building, please gather outside Lloyds Bank on the opposite side of the road.

Exit by the door by which you entered the room or by the fire exits which are clearly indicated by the standard green fire exit signs.

If you need any assistance in evacuating the building, please make yourself known to a member of staff.

Please also make sure all your mobile phones are turned off or set to silent.

3. APOLOGIES - To receive apologies for absence from the meeting.

4. DECLARATIONS OF INTEREST

To receive declarations of Disclosable Pecuniary and Other Interests, in accordance with the Members' Code of Conduct.

Declaring interests at meetings.

If there is any item of business to be discussed at the meeting in which you have a disclosable pecuniary interest or non-pecuniary interest (Other Interests), you must declare the interest appropriately at the start of the meeting or as soon as you become aware that you have an interest.

Arrangements have been made for interests that are declared regularly by members to be appended to the agenda (**Page 4**). Any interest noted in the Schedule at the back of the agenda papers will be deemed to have been declared and will be minuted as such. As a general rule, there will, therefore, be no need for those Members to declare those interests as set out in the schedule.

There are, however, TWO EXCEPTIONS to the general rule:

1. When the interest amounts to a Disclosable Pecuniary Interest that is engaged in connection with any item on the agenda and the member feels that the interest is such that they must leave the room. Prior to leaving the room, the member must inform the meeting that they are doing so, to ensure that it is recorded in the minutes.

2. Where a dispensation has been granted to vote and/or speak on an item where there is a Disclosable Pecuniary Interest, but it is not referred to in the Schedule (where for example, the dispensation was granted by the Monitoring

Officer immediately prior to the meeting). The existence and nature of the dispensation needs to be recorded in the minutes and will, therefore, have to be disclosed at an appropriate time to the meeting.

Note: Following the adoption of the new Code of Conduct, Members are reminded that they should declare the existence and nature of their personal interests at the commencement of the relevant item (or as soon as the interest becomes apparent). If that interest is a Disclosable Pecuniary or a Deemed Disclosable Pecuniary Interest, the Member must withdraw from the room.

Where a Member has a Disclosable Pecuniary Interest but has received a dispensation from Standards Committee, that Member may vote and/or speak on the matter (as the case may be) and must disclose the existence of the dispensation and any restrictions placed on it at the time the interest is declared.

Where a Member has a Deemed Disclosable Interest as defined in the Code of Conduct, the Member may address the meeting as a member of the public as set out in the Code.

Note: Council Procedure Rules require Members with Disclosable Pecuniary Interests to withdraw from the meeting unless a dispensation allows them to remain to vote and/or speak on the business giving rise to the interest.

Where a Member has a Deemed Disclosable Interest, the Council's Code of Conduct permits public speaking on the item, after which the Member is required by Council Procedure Rules to withdraw from the meeting.

5. LICENSING APPLICATION – NEW PREMISES LICENCE ASDA EXPRESS STONEYCROFT, LUTTERWORTH ROAD, NUNEATON, CV11 6PG – a report of the Strategic Director – Public Services **(Page 5)**.

### 4. Options and Comment

4.1 When considering applications for new licences, the following options are available by virtue of the Licensing Act 2003, Part 3, section 18 (3) and (4) which states to the effect:

“Where relevant representations are made, the authority **must**, having regard to the representations, take such steps as it considers necessary for the promotion of the licensing objectives. The steps are:

- (a) to grant the licence subject to such conditions the authority considers necessary for the promotion of the licensing objectives;
- (b) to exclude from the scope of the licence any of the licensable activities to which the application relates;
- (c) to reject the application.”

If none of these steps are required the application must be granted.

4.2 Members should note that this application has policy implications as detailed in section 5 of this report.

4.3 Members are reminded that all applications must be considered on their own merits, and that findings on any issues of fact should be on the balance of probability. The Sub-Committee is only considering the issues raised in the representations.

4.4 Members are advised to give consideration to the application that has been submitted and to this report.

4.5 Having considered the application, the operating schedule (section 18 of the application) submitted with the application, any representations submitted, the legislative provisions, the Statement of Licensing Policy and the Guidance issued by the Secretary of State, Members have the options set out in the following paragraphs.

- 4.6 If Members find that crime and disorder/public nuisance/public safety/harm to children as raised in the representation(s) is likely, but are satisfied with the steps proposed by the applicant, they can grant the licence and impose conditions on the licence that are consistent with the operating schedule.
- 4.7 If Members find that public crime and disorder/public nuisance/ public safety/harm to children as raised in the representation(s) is likely, but determine that the steps needed to promote the licensing objectives proposed by the applicant should be modified, they can grant the licence subject to revised conditions considered necessary to promote the licensing objectives.
- 4.8 If Members find that crime and disorder/public nuisance/public safety/harm to children as raised in the representation(s) is likely, but determine that the promotion of the licensing objective cannot be met through the imposition of conditions on the licence, they can reject the whole or part of the application.
- 4.9 If Members find that crime and disorder/public nuisance/public safety/harm to children as raised in the representation(s) is not likely, the application must be granted.

## 5. **Licensing Policy and Section 182 Guidance**

- 5.1 Members are advised to consider the Licensing Authority's Statement of Licensing Policy, the aim of which is to promote the licensing objectives as set out in the Licensing Act 2003. These are:

- Prevention of crime and disorder
- Public safety
- Prevention of public nuisance
- Protection of children from harm

These objectives are the only matters than can be taken into account in determining an application and any conditions attached to licences must be necessary to achieve the licensing objectives.

- 5.2 Attention is also drawn to the current Guidance issued by the Secretary of State under section 182 of the Licensing Act.

- Paragraphs 2.1 to 2.7 relate specifically to crime and disorder issues.
- Paragraphs 2.8 to 2.15 relate specifically to public safety issues.
- Paragraph 2.16 relate specifically to ensuring safe departure of those using the premises
- Paragraph 2.17 relate specifically to maintenance and repair
- Paragraph 2.18 to 2.20 relate specifically to safe capacities
- Paragraphs 2.21 to 2.27 relate specifically to public nuisance issues.
- Paragraphs 2.28 to 2.37 relate specifically to the protection of children from harm.

- Paragraph 2.38 relate specifically to offences relating to the sale and supply of alcohol to children

### 6.2 (b) Licensing Act 2003 - section 18 Determination of application for premises licence

- (1) This section applies where the relevant licensing authority -
  - (a) receives an application for a premises licence made in accordance with section 17, and
  - (b) is satisfied that the applicant has complied with any requirement imposed on him under subsection (5) of that section.
- (2) Subject to subsection (3), the authority must grant the licence in accordance with the application subject only to -
  - (a) such conditions as are consistent with the operating schedule accompanying the application, and
  - (b) any conditions which must under section 19, 20 or 21 be included in the licence.
- (3) Where relevant representations are made, the authority must -
  - (a) hold a hearing to consider them, unless the authority, the applicant and each person who has made such representations agree that a hearing is unnecessary, and
  - (b) having regard to the representations, take such of the steps mentioned in subsection (4) (if any) as it considers necessary for the promotion of the licensing objectives.
- (4) The steps are -
  - (a) to grant the licence subject to -
    - (i) the conditions mentioned in subsection (2)(a) modified to such extent as the authority considers necessary for the promotion of the licensing objectives, and
    - (ii) any condition which must under section 19, 20 or 21 be included in the licence;

- (b) to exclude from the scope of the licence any of the licensable activities to which the application relates;
  - (c) to refuse to specify a person in the licence as the premises supervisor;

- (7) The requirements of this subsection are -
- (a) that the representations were made by a responsible authority or any other person within the period prescribed under section 17(5)(c),
  - (b) that they have not been withdrawn, and
  - (c) in the case of representations made by any other person (who is not also a responsible authority), that they are not, in the opinion of the relevant licensing authority, frivolous or vexatious.
- (8) Where the authority determines for the purposes of subsection (7)(c) that any representations are frivolous or vexatious, it must notify the person who made them of the reasons for its determination.
- (9) The requirements of this subsection are that the representations -
- (a) were made by a chief officer of police for a police area in which the premises are situated, and
  - (b) include a statement that, due to the exceptional circumstances of the case, he is satisfied that the designation of the person concerned as the premises supervisor under the premises licence would undermine the crime prevention objective.
- (10) In discharging its duty under subsection (2) or (3)(b), a licensing authority may grant a licence under this section subject to different conditions in respect of –

- (a) different parts of the premises concerned;
- (b) different licensable activities.

## 7. Legal Observations

- 7.1 The purpose of Nuneaton and Bedworth's Statement of Licensing Policy is to make it clear to applicants that wider considerations will be taken into account when determining applications. It is intended to guide the Licensing Committee and sub-committees when considering licence applications. However, the Licensing sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where the circumstances of the application justify allowing an exception. The burden is on the applicant to show that they comply with the policy.
- 7.2 Members must determine, having regard for evidence, whether granting the application for a premises licence will impact adversely on the policy criteria listed in section 5 of this report.
- 7.3 In accordance with the provisions of Part 1 of Schedule 5 of the Act, where a Licensing Authority rejects in whole or part, the applicant may appeal against the decision, to a magistrate's court within 21 days of being notified in writing of the decision.
- 7.4 Similarly, where a person who make relevant representations in relation to the application contends that the licence ought not to have been granted, or that, different or additional conditions should have been imposed on the licence, he may appeal against the decision to a magistrates court within 21 days of being notified in writing of the decision.
- 7.5 The Human Rights Act 1998 incorporates the key articles of the European Convention on Human Rights into domestic law. Decisions on licensing matters are actions of a public authority and must be compatible with Convention rights. Consequently Members of the sub-committee must be aware of the rights contained in the Convention (particularly those set out below) when making licensing decisions.
- (a) Article 6: Right to a fair trial – In the determination of his civil rights and obligations, everyone is entitled to a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law.
  - (b) Article 8: Right to respect for private and family life -Everyone has a right to respect for his or her private life, his home and correspondence.
  - (c) Article 1 of the First Procedure: Protection of property – Every natural or legal person is entitled to the peaceful enjoyment of his possessions, including a licence. No one shall be deprived of his possessions except in the public interest and subject to the conditions provided for by law and by the general principles of international law.

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

21

---

Continued from previous page...

### Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

---

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Details of person or body making representation	
Your Name:	[REDACTED]
Your Address:	[REDACTED]

Details of premises representation is about	
Name of Premises:	Euro Garages (Esso) / Asda - Stoneycroft
Address of premises:	Lutterworth Road
Application No. (if known)	No number of the blue notice displayed on the premises

Please tick one or more of the licensing objectives that your representation relates to:	
Prevention of crime and disorder	<input checked="" type="checkbox"/> yes
Public Safety	<input type="checkbox"/> yes
Prevention of public nuisance	<input checked="" type="checkbox"/> yes
Protection of children from harm	<input type="checkbox"/> yes

Please summarise your concerns about this application:	
<p><b>Prevention of public nuisance</b> The garage is located in a predominately residential neighbourhood, with homes very close and directly opposite to the premises. The Neighbourhood is very quiet at night and changes to noise levels are very noticeable and disturbing to sleep. Retailing alcohol and refreshments through the night will increase vehicle visits and therefore people, car audio and vehicle noise levels (engines and doors)</p> <p><b>Prevention of Crime and Disorder</b> Widening the services offered by this garage will mean that the building is open and accessible, it will increase the risk of robbery, there is a past history of this which is why the garage has window service at night.</p>

**Please give further details of why you believe this application will have an adverse effect on the licensing objectives**

The sale of refreshments throughout the night indicates intention to attract more than walk in/passing trade for alcohol and general retail sales. There is little or no demand for this service in the local community.

ASDA are already offering service for Uber Eats, Just Eat and Deliveroo. Our main concern is that this location will be a 24x7 fulfilment location for takeaway deliveries for food, groceries and alcohol. This can easily be fulfilled by the large store in town.

There is a risk that this location will become hub / meeting place for late night refreshments for delivery drivers and taxi drivers collecting orders and fuelling up, adding to the concerns around noise (public) nuisance.

There is currently no precedent for this type of licenced sales in the Whitestone centre, granting this licence could pave the way for other retailers to follow suit, attracting even more traffic and people to the area during sleeping hours.

Please can you investigate the planning classification of this location to serve hot food takeaway.

**Concerns about application :**

We live next door to Asda and are quite horrified at the thought of them being able to sell alcohol 24 hours a day. The local spar which is 100m away sells alcohol until 11 pm every night . A number of years ago a similar license was turned down by the council .

This area is in a high council tax band and is a quiet area in a pleasant street . It has been proven that these licenses would enable more alcohol related incidents, create a lot more noise and would mean large groups gatherings outside the shop at very unsociable hours.

We are concerned about street drinking, anti social behaviour and an increase in crime level in our area.

A 24-hour licence is unnecessary and potentially damaging to our area. Also in this day and age there are serious concerns over alcohol abuse, surely this is needs to be taken into consideration.
