

NUNEATON AND BEDWORTH BOROUGH COUNCIL

INDIVIDUAL CABINET MEMBER DECISION

Councillor: J. Sheppard
Cabinet Member for: Central Services & Refuse
Report by: Director – Planning and Public Protection
SUBJECT: Adoption of Sex Establishment Licensing Policy
Date Decision made: Monday 18th March, 2019
Place: Committee Room D, Town Hall, Nuneaton
Officers Present: Carl Jacobs – Principal Officer (Licensing)

DECISION:

IC19 **RESOLVED** that

- a) the Sex Establishment Licensing Policy, as detailed in Appendix A of the report be adopted;
- b) all applications received for sex establishment licences will still be considered by the Licensing Committee;
- c) this policy be reviewed every five years or sooner if changes are necessary. All legislative amendments or minor clerical changes will be made automatically; all other changes will be subject to a minimum of a 28 day consultation period; and
- d) the approved policy will commence after the call-in period is concluded.

REASON FOR THE DECISION:

Although legislation does not require a local authority to produce either a policy in regards to sex establishments or specific licence conditions, it is however best practice to publish a policy setting out our general approach to the licensing of sex establishments.

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED:

To amend or reject the policy document.
