If there are sports facilities on the school site that are hired out, please provide below the fees charged (Please enter N/A if the school does not have, or does not let the type of facility specified)

Of the three schools that responded all said that the sports halls were hired out.

Sports Hall

£30 pound per hour

Are any of the sports facilities which are used by the community served by changing rooms?

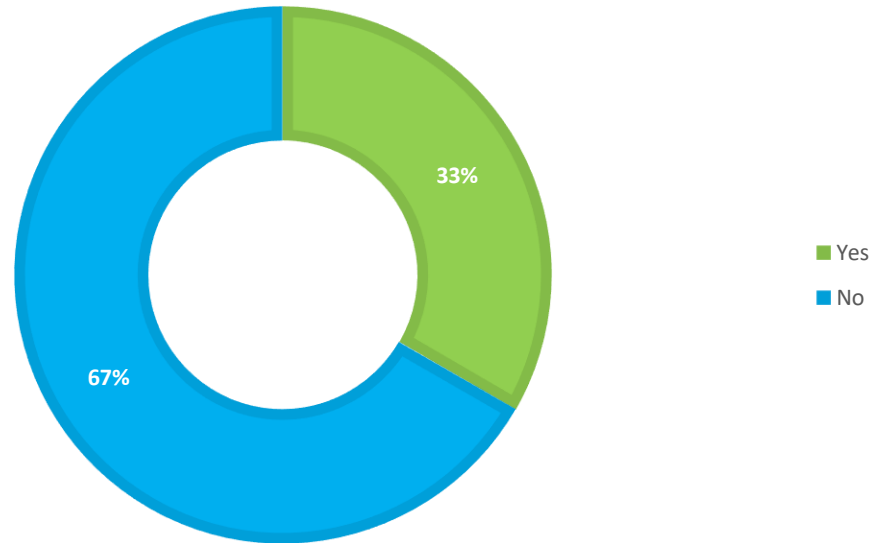

If yes, please rate the quality of the changing rooms (1 very poor - 5 excellent)

Out of the one respondent to this question the changing facilities were rated as 3 'fair'.

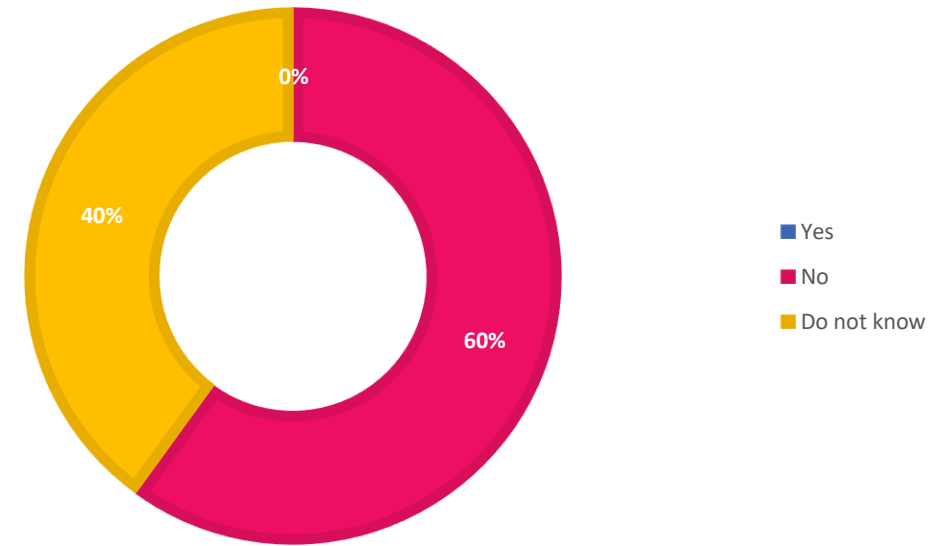

Appendix 2

School Consultation Analysis - NBBC

If there is currently no use of the sports facilities by the local community, would the school/college consider allowing community use in the future?

Are there any current plans to improve the school/ college sports facilities in the future?

If no, what is the main reason? (e.g. vandalism, facilities are over used, already lots of school use / after schools clubs etc)

I would have selected 'don't know' if it was an option.
