<b>Swim England</b>	Helen Weeks <a href="mailto:helen.weeks@swimming.org">helen.weeks@swimming.org</a>	<ol style="list-style-type: none"> <li>1. <b>What are the NGBs current priorities in the NBBC area?</b>              Swim England is clear there is a need to replace Bedworth Leisure Centre pool and ideally expand this provision; they also recognise the need to maintain access to high quality water space in Nuneaton to continue to support the swimming club.</li> <li>2. <b>What might be required to support your priorities in the coming years?</b>              Additional water space to facilitate increased community access in both locations would be ideal, particularly given the population growth in the Borough.</li> <li>3. <b>Who are the key clubs and what do they deliver for your sport?</b></li> <li>4. <b>What long term plans or developments you have in mind /in progress?</b></li> <li>5. <b>Do you have access to funds to support your plans and developments across NBBC?</b></li> </ol>	E-mailed 28.5.20 Chased: 12.6.20

## Nuneaton and Bedworth Borough Council

### Indoor Sports Facility Needs Assessment and Strategy

NGB	Respondent / Contact	Response	Additional Notes
Badminton England	Helena Russo Relationships Manager <a href="mailto:HelenaRusso@badmintonengland.co.uk">HelenaRusso@badmintonengland.co.uk</a>	<p><b>Nuneaton:</b></p> <p><b>1. What are the NGBs current priorities in the NBBC area?</b> Currently, Badminton England's priorities are to support the club network in the area to grow in membership and ensure their sustainability in developing both the junior and senior game. We also have a priority to engage primary settings, both in the community and schools, in the Racket Pack, and to engage with SGOs and secondary schools to deliver the National Schools Badminton Championships.</p> <p>Further, we work with National Operator Everyone Active across the country to support local leisure opportunities, such as delivering the programme No Strings Badminton.</p> <p><b>2. Who are the key clubs and what do they deliver for your sport?</b></p> <p>The following clubs in Nuneaton are currently affiliated to Badminton England: Adders Badminton Club – affiliate size 9-20 members. This is a senior affiliated club, who play in the Coventry Badminton League. Hartshill Hayes Junior Badminton Club – affiliate size 21-49 members. This is a senior and junior club. Nuneaton Badminton Club – affiliate size 21-49 members. This is a senior club, who play in the Coventry Badminton League. Whitestone Badminton Club – affiliate size 21-49 members. This is a senior club, who play in the Coventry Badminton League.</p> <p><b>3. Do you have access to funds to support your plans and developments across NBBC?</b> Prior to the Coronavirus pandemic, the organisation had a dedicated pot of funding for affiliated clubs to grow and develop, to run projects, increase membership and secure sustainability long-term. Other pots have been available, such as an affiliation discount on coaching courses, which is integral to increasing the number of affiliated coaches in the area, and nationally on the whole. We hope that we will be in a position to offer this out to our clubs and coaches again in the future.</p>	<p>E-mailed 28.5.20 Responded 11.6.2020</p> <p>Good morning Tracey,</p> <p>Please find below the completed questionnaires for Nuneaton and Bedfordshire. These have been completed separately, as they are covered by different members of staff – my colleague, Aleisha, who is CC'ed here, covers Bedfordshire as a County, and Nuneaton comes under my remit, as I cover Warwickshire. I have CC'ed Aleisha here for future reference.</p> <p>Naturally, all of the objectives discussed above were set before COVID-19 occurred and forced our sport to come to a halt in terms of active delivery. The situation has forced us to change our priorities to sustaining and protecting our clubs, leagues and players. One of the main barriers we have to growth is the availability of courts and over the next 6-12 months we foresee this becoming even more challenging. Approx. two thirds of our affiliated badminton clubs are based at school sites and not the traditional leisure centre venues. There is a very small number of clubs that own their own facilities and so are completely dependent upon venues (schools and leisure providers). The funding we have had available for our clubs/schools to start new sessions will be redirected to ensure our sustainability as a NGB and keep our clubs running. As we understand the situation better as government guidance allows us to safely return to play, some of these priorities may have changed.</p>

**Nuneaton and Bedworth Borough Council**  
*Indoor Sports Facility Needs Assessment and Strategy*

NGB	Respondent / Contact	Response	Additional Notes
		<p>As Relationship Managers, our role also includes working with partners such as the County Badminton Association, to implement wider plans for the delivery and development, and partnering investment where necessary.</p> <p><b>Bedfordshire:</b></p> <p><b>1. What are the NGBs current priorities in the NBBC area?</b>            Before Covid 19 – Our priorities focused on increasing our core market (membership) by supporting our affiliated clubs to grow and cater for all types of player. In Bedfordshire we have been specifically working on junior growth (5 – 12 years) and creating more opportunities to play. We have been working with schools, junior clubs and coaches to create new sessions and get badminton into the school’s curriculum. The aim to increase the numbers participating in badminton and ensure there is a clear pathway in place linking to clubs and up to the county set up.</p> <p><b>2. Who are the key clubs and what do they deliver for your sport?</b>            There are only 3 affiliated junior clubs in the whole of Bedfordshire at present            Biggleswade Juniors (Stratton LC)            Bedford Juniors (Bedford &amp; County Badminton Club)            Flitwick &amp; District Juniors (Alamedia Middle school)</p> <p><b>3. Do you have access to funds to support your plans and developments across NBBC?</b>            A portion of our Sport England funding is used to support clubs and coaches to create new badminton sessions so there is more opportunities to play badminton within the county. We have also been providing coach bursaries to those looking become full/part time badminton coaches</p> <p>Badminton England has some top line strategic goals that can be applied to both areas, and cover the questions: <b>What might be required to support your priorities in the coming years? and What long term plans or developments you have in mind /in progress?.</b></p>	<p>I hope this is useful, and if you need anything else, please don’t hesitate to let either myself or Aleisha know. Many thanks,</p> <p>Helena</p>

**Nuneaton and Bedworth Borough Council**  
*Indoor Sports Facility Needs Assessment and Strategy*

NGB	Respondent / Contact	Response	Additional Notes
		<p><b>Combined response for 2/4:</b></p> <p><b>1. What might be required to support your priorities in the coming years?</b>            Venue and facility availability continues to be an issue for a lot of clubs, and so more court space to ensure badminton clubs can run more sessions, and to enable new clubs to become established is quite significant. We will continue to work closely with leisure operators, and support centres to choose to use our endorsed programs as part of their regular activity time tables – this includes the upskilling and development of the network of coordinators available to run this type of session, and supporting the access to recreational badminton.</p> <p>We also hope to be able to continue to provide financial support for coaches so they have more security to make the move to full time coaching. The organisation has a key priority currently for junior settings, particularly playing opportunities for under-12's across all settings (club, community, school).</p> <p>We also will continue to work with SGOs and SSPs to ensure badminton is included in the Schools games for primary schools across the districts and build on the success of secondary engagement.</p> <p><b>3. What long term plans or developments you have in mind /in progress?</b>            Increasing our current workforce is vitally important to increasing number opportunities to play. This being fully qualified coaches, coordinators and teachers. Through one of our programs in Bedfordshire, we offer teacher training along with lesson plans to enable teachers to run badminton lessons in an assembly hall with a full class of children. The long-term aim is to have badminton included in 50% of lower/middle/primary schools curriculum. We then aim to create at least one satellite club in each district and create a pathway up to the county squads.</p> <p>Overall, we have objectives around the growth of our recreational pathway, including the introduction of programmes such as social competition, and new No Strings Badminton sessions, to directly feed into a growth of more regularly engaged players.</p>	

**Nuneaton and Bedworth Borough Council**  
**Indoor Sports Facility Needs Assessment and Strategy**

NGB	Respondent / Contact	Response	Additional Notes
		<p>The core market remains a focus, with the above areas included, as well continued work on the disability strategy, pathway and club support. Under-12 provision, both in the club structure, but also along the lines of talent are key for us to ensure the pathway is appropriately tiered and sustainable.</p>	
<p><b>British Gymnastics And Trampoline</b></p>	<p>Natalie Laws  <a href="mailto:natalie.laws@british-gymnastics.org">natalie.laws@british-gymnastics.org</a></p>	<p><b>1. ## Nuneaton and Bedworth Borough Council

### Indoor Sports Facility Needs Assessment and Strategy

NGB	Respondent / Contact	Response	Additional Notes
		<p><b>2. What might be required to support your priorities in the coming years?</b></p> <p>There is a large demand for more gymnastics opportunities and clubs all report large waiting lists. The total number of people estimated to be on waiting lists for gymnastics is 1 million (Freshminds Latent Demand Research, 2017). Furthermore, this research also shows that a further 1.9 million would like to participate but are not currently, not on a waiting list. A key part of BG's strategy to increase participation is to support clubs moving into their own dedicated facility, offering more time and space for classes.</p> <p>There is a definite trend for gymnastics clubs to move into their own dedicated facilities. Approximately 40 clubs moved into their own spaces last year and BG expects this trend to continue and an increased amount of clubs move their activities to dedicated spaces/facilities. There is limited provision of access to facilities within Nuneaton and Bedworth with all clubs having waiting lists restricting access to gymnastic activities due to the lack of time within both dedicated and non-dedicated facilities.</p> <p>Nuneaton Trampoline Club have communicated that they are actively looking at a dedicated facility project.</p> <p>The club currently deliver from a Leisure Centre located on a school site which is managed by Everyone Active. The club have looked at various sites in the area to convert or extend without success. Pre-Covid they had undertaken a fundraising campaign to help with project development costs. In conjunction with Nuneaton TC, Coventry Empire Gymnastics Academy would be interested in working jointly on a dedicated facility project. The club currently based at Coventry Leisure Centre have had a number of unsettled years having their facility at threat of closure. The club believe the threat of closure, coupled with a lack of clarity from the council re the medium-term position of the facility has led to a drop in club membership from 475 to 163 in years 2014-2019. We have tried to work with the club and the council for a number of years on a relocation project although no real outcome has come from this.</p>	

**Nuneaton and Bedworth Borough Council**  
*Indoor Sports Facility Needs Assessment and Strategy*

NGB	Respondent / Contact	Response	Additional Notes
		<p>We see the opportunity for the 2 clubs to work together as a positive step. The clubs are open to various options including a shared site or amalgamation and the current club managers have a drive to create a sustainable solution.</p> <p><b>3. Who are the key clubs and what do they deliver for your sport?</b></p> <p>Nuneaton Gymnastics Club - 707 (growth from 53 in 2012) - Dedicated facility</p> <p>Nuneaton Trampoline Club - 63 (growth from 4 in 2014) - Non- dedicated facilities</p> <p>Midlands Gymnastics Academy - 667 (Growth from 0 2016) - Dedicated facility</p> <p><b>4. What long term plans or developments you have in mind /in progress?</b></p> <p>Yes. There is a large demand for more gymnastics opportunities and most Clubs report large waiting lists. A key part of BG's strategy to increase participation is to support Clubs, Leisure Providers and other partners moving into their own dedicated facilities, offering more time and space for classes.</p> <p>With a vast range of products and programmes and expert assistance to support local delivery; gymnastic activities supported by British Gymnastics are proving successful in the growth of membership and retention of members across the country.</p> <p><b>5. Do you have access to funds to support your plans and developments across NBBC?</b></p> <p>British Gymnastics has no financial capital investment available; however, the facility development team is available to support, develop and guide clubs, leisure providers and other partners to help achieve their facility requirements.</p>

## Nuneaton and Bedworth Borough Council

### Indoor Sports Facility Needs Assessment and Strategy

NGB	Respondent / Contact	Response	Additional Notes
British Cycling	<a href="mailto:facilities@britishcycling.org.uk">facilities@britishcycling.org.uk</a>	<p><b>1. What are the NGBs current priorities in the NBBC area?</b></p> <p>Our strategic priorities are across 3 pillars – Grow Participation; Support a Healthy Sport; Maximise Elite Success. Recognising the local context for NBBC, our focus would be on growing participation locally, with appropriate infrastructure and volunteer club networks.</p> <p>From a facilities perspective, the priorities of the emerging facilities strategy are likely to include:</p> <ul style="list-style-type: none"> <li>• <i>Enabling local opportunities for everyone to be engaged in cycling, either as a participant, volunteer or official;</i></li> <li>• <i>Sustainable, high quality traffic-free facilities encouraging participation, retention and talent development;</i></li> <li>• <i>Harnessing the power of cycling to support wider social outcomes and local economic benefit.</i></li> </ul> <p>Within this, some of the key objectives will include:</p> <ul style="list-style-type: none"> <li>• <i>Everyone has an opportunity to learn to ride in a traffic free environment, within 15 minutes of their home or school;</i></li> <li>• <i>The majority of the population have access to appropriate discipline-specific cycling facilities within a reasonable travel time of their home (30-45 minutes), supporting club sustainability and growth;</i></li> <li>• <i>Within every population centre strong local partnerships facilitate a network of provision of connected places to ride, maximising opportunities to ride recreationally;</i></li> <li>• <i>Long-term agreements are in place with key landowners to encourage cycling, with bike hire / ancillary provision / marked routes supporting regular participation;</i></li> <li>• <i>The majority of competitive or talented cyclists, whether male, female or disabled, will have the opportunity to take part in more advanced training and competition.</i></li> </ul>	<p>E-mailed 28.5.20 Chased: 12.6.2 Responded 15.6.20</p> <p>Very happy to discuss any of this further, as I'm aware the Council had some interesting plans for developing cycling as part of their wider development of physical activity and we have a 'live' funding application from them in this regard.</p>

**Nuneaton and Bedworth Borough Council**  
**Indoor Sports Facility Needs Assessment and Strategy**

NGB	Respondent / Contact	Response	Additional Notes
		<p><b>2. What might be required to support your priorities in the coming years?</b>            Given the relative proximity of facilities in Leicester and Derby, our focus locally would be on enhanced traffic free places to ride, maximising local opportunities for recreational cycling and providing facilities to support learning to ride and skills development.</p> <p><b>3. Who are the key clubs and what do they deliver for your sport?</b>            There are two BC registered clubs based in the Borough, with Nuneaton BMX the only Go-Ride Accredited club, offering junior development activity. The other club is an adult cycling club. There are a number of clubs based near the borders of the borough, including those in Coventry and Hinckley. Supporting and developing our Go-Ride club would be a priority for British Cycling, given supporting Children &amp; Young People is a key strategic priority for the organisation.</p> <p><b>4. What long term plans or developments you have in mind /in progress?</b>            As noted in point 2, the focus on recreational cycling, traffic free places to ride, learn to ride and skills development, integrated into wider physical activity plans for the borough.</p> <p><b>5. Do you have access to funds to support your plans and developments across NBBC?</b>            We have the Places to Ride fund, which is available until January 2021.</p>	
<b>England Athletics</b>	Stephanie Cameron <a href="mailto:scameron@englandathletics.org">scameron@englandathletics.org</a>	<p><b>1. England Netball	<a href="mailto:georgina.rettey@englandnetball.co.uk">georgina.rettey@englandnetball.co.uk</a>	<ol style="list-style-type: none"> <li>1. What are the NGBs current priorities in the NBBC area? No specific priorities for the area aside from increasing participation. We would focus enabling access to participants from lower socioeconomic backgrounds. Indoor venues are not used regularly for local netball fixtures as the largest league in Coventry and Warwickshire is played outdoors.</li> <li>2. What might be required to support your priorities in the coming years? Affordability and access to good quality venues.</li> <li>3. Who are the key clubs and what do they deliver for your sport? Individual, local netball clubs who provide adult and junior training sessions. If require specific names this can be provided.</li> <li>4. What long term plans or developments you have in mind /in progress? Have previously been part of discussions for community outdoor developments at Bedworth sports club.</li> <li>5. Do you have access to funds to support your plans and developments across NBBC? No.</li> </ol>	E-mailed 28.5.20 Response: 5/6/2020
