AMEND Condition 8 to read:

8. Access to the site from the public highway shall not be made other than at the positions identified on the approved drawing, number 2968/003 Rev T (received 20th May 2020). No access shall be used other than for site clearance until a bound all weather surface suitable for two way traffic is provided in accordance with the approved plans.

AMEND Condition 14 to read:

14. No development other than the construction of the main site access, associated visibility splays and S.278 works within the highway and plots 1-4 and 177-182 (inclusive) (all defined within the area highlighted on plan ref CD14 Revision A - in pink) received on the 15th May 2020, shall commence until the programme of archaeological fieldwork detailed within the document "Written scheme of investigation for an archaeological excavation on land at Bedworth Road, Bulkington Warwickshire February 2020" by MOLA Northampton has been undertaken.

Following completion of the agreed programme of archaeological fieldwork required to satisfy Condition 14, the post-excavation analysis and report production detailed within the submitted document "Written scheme of investigation for an archaeological excavation on land at Bedworth Road, Bulkington Warwickshire February 2020" by MOLA Northampton, shall be undertaken. A report detailing the results of the fieldwork, and confirmation of the arrangements for the deposition of the archaeological archive will be submitted to the planning authority within one year of the completion of the archaeological fieldwork unless agreed otherwise by the planning authority's archaeological advisor.
