

## Biodiversity Value Map

### NUNEATON & BEDWORTH

This map was produced using HBA 2007 Phase 1 data. Accuracy and currency information can be found within the Warwickshire State of the Environment report available from [www.warwickshire.gov.uk/biodiversity](http://www.warwickshire.gov.uk/biodiversity). The methodology used to produce this map is set out in a report available from the Local Biodiversity Action Plan Coordinator. This map is one part of a wider exercise to understand the current extent and future opportunities for priority habitats within Warwickshire, Coventry and Solihull.
